IAAE CANADA - Continuing Education Program (CEU)

Who is responsible for keeping track of my CEUs? You are responsible for notifying the IAAE Canada office of any points you attain within each three-year cycle.

I have accumulated more than 36 CEUs during my current three-year cycle. Can I roll those over into the next cycle? No. Your CEU totals are reset to zero at the beginning of each three-year cycle

What happens if I fail to accumulate 36 CEUs during a three-year cycle? Your individual circumstances will be reviewed by the Board of Examiners, who will then determine next steps.

Please Note: This CEU program may change at the discretion of the IAAE Canada Board of Examiners
