

HEAVY DUTY TECHNICIAN

FULL-TIME | PERMANENT

Regina Airport Authority requires a Heavy Duty Technician responsible to diagnose, repair, and maintain specialized airfield surface maintenance equipment, emergency vehicles, heavy duty and industrial equipment, fleet vehicles and small engine equipment.

RESPONSIBILITIES

- While promoting safety and security awareness, perform all duties with an ownership attitude in compliance with corporate policies and procedures.
- Assist with ensuring appropriate incident command response procedures are carried out in the event of an emergency.
- Perform all duties and responsibilities in a manner consistent with the company's Mission, Vision, and Corporate Values.
- Respond to operational emergency situations during and after standard hours of work for the purposes of resolving immediate concerns to ensure the safe and efficient operation of the airport.
- Responsible for the inspection and performance of preventative, planned and emergency maintenance, testing and repair on all equipment, vehicles, and tools as per the manufacturer's recommendations.
- Diagnose equipment failures and complete maintenance and repairs.
- Installation of safety equipment on vehicles and equipment.
- Develop, implement, and maintain equipment maintenance and repair schedules and priority policies.
- Research and procure required parts, materials, tools, and equipment to perform positional duties.
- Provide input for budget development.
- Perform maintenance and runups on emergency generators.
- Inspect, report, and repair any problems associated with new equipment.
- Perform incidental welding operations on equipment.
- Test repaired equipment for proper performance.
- Maintain accurate and up to date maintenance records using preventative maintenance software.
- Ensure adherence to the organization's preventative maintenance program.
- Ensure safe storage of supplies respecting WHMIS and Federal Halocarbon Regulations.
- Maintain a working knowledge of changes in technology and repair techniques.
- Contribute to and support corporate events, initiatives, and internal committees.
- Participate in regulatory and corporate prescribed training and development activities.
- Understand and comply with all Corporate Policies and Procedures.

EDUCATION AND PROFESSIONAL EXPERIENCE

- Heavy Duty Equipment Technician Journeyman and Red Seal certified.
- Minimum of three (3) years previous related experience.
- Equivalent combination of education and experience would be considered.

OUR MISSION

To be an engine of economic activity and social connectivity through air travel.

OUR VISION

To be Saskatchewan's best airport experience.

WHO WE ARE

Exceptional people doing an exceptional job every day through demonstrated operational and customer service excellence.

HOW TO APPLY

Like what you see and think you have what it takes to join our team?

Submit your resume on or before June 4, 2024 by emailing hr@yqr.ca and quoting the position you are applying for in the subject line.

We thank all applicants for their interest. Only shortlisted candidates will be contacted.
