

COMMUNICATIONS AND CUSTOMER EXPERIENCE ADMINISTRATOR

FULL-TIME | PERMANENT

Regina Airport Authority requires a Communications and Customer Experience Administrator who is responsible for the planning, communication, coordination, execution, and day-to-day administration of various customer experience, revenue development, communication, marketing and commercial initiatives. The position is accountable for ensuring many different initiatives are tracked, developed, and move through to completion, whether by working with advertising agencies, internal teams, individually, or coordinating with partners. This position helps ensure the delivery of great experiences for travellers, partners, and stakeholders on their journey with the Regina International Airport. The broad range of duties will also include routine administrative tasks, customer relationship building, and supporting the department Director with clerical and administrative support.

RESPONSIBILITIES

- While promoting safety awareness, perform all duties with an ownership attitude in compliance with corporate policies and procedures.
- Assist with ensuring appropriate incident command response procedures are carried out in the event of an emergency.
- Perform all duties and responsibilities in a manner consistent with the company's Mission, Vision and Corporate Values.
- Respond to operational emergency situations during and after standard hours of work for the purposes of resolving immediate concerns to ensure the safe and efficient operation of the airport.
- Provide administrative and clerical support as needed to the Department director, including taking meeting notes and managing department files both digital and paper.
- Planning and coordinating communications, marketing and customer experience projects in tandem with department head, internal departments, partners, and advertising agencies to gather requirements, provide direction, and facilitate communications.
- Work with advertising agencies and third-party contractors on the delivery of creative services.
- Help develop communication scripts for our customer service teams.
- Monitor, publish content, and respond to inquiries on various social media channels.
- Track department's projects within a project management system.
- Update communication tools including the website, presentations, and signage.
- Implementation and administration of various airport accessibility and disability programs and special requests.
- Work with food & beverage, retail, transportation and other commercial vendors and partners on customer experience and quality assurance initiatives.
- Oversee airport's customer experience survey programs.
- Assist in the development of request for proposals for various commercial programs.
- Develop and implement opportunities to drive and maximize non-aviation revenue such as rental cars, parking, retail, food and related airport concessions.
- Help administrate relationships with concession vendors and commercial operators.
- Support community partners and coordinate community events hosted by or associated with the airport.
- Audit stock levels of physical communications and advertising collateral, re-order, re-stock or notify partners of stock levels, as well as promotional merchandise inventory control.
